

Are you ready to make a strong positive impact to an organization? Are you willing to roll up your sleeves and do what's necessary to ensure the job gets done? If you are an entrepreneurial spirited person who excels at driving business results and wants to work with a strong team, then **We want to speak with you!**

Keystone Drill Services, Inc. is looking to fill full-time positions of Heavy Equipment/Field Service Technicians at our Somerset, PA location. Qualified candidates should be capable of performing necessary equipment repairs in our facilities and at various customer locations.

Additional requirements include:

- Experience with Mechanical, Hydraulics, Electrical and Air systems
- Ability to develop customer relationships and providing customer estimates
- Proficiency with different types of drawings and schematics
- Willingness to travel
- Travel may be required on a daily basis dependent on customer needs; this travel may be a day trip or longer (based on customer needs)
- Overnight hotel stays are required based on customer needs; this is paid for by the company
- Company vehicle is provided to make service calls
- Provide your own tools
- DOT Medical Card

Candidates should also possess:

- Strong knowledge of workshop processes
- High level of professionalism, honesty, and integrity
- Strong planning and organizational skills
- Excellent communication skills, both written and verbal

Benefits

Keystone Drill Services, Inc. offers competitive salary, comprehensive benefits package and paid business expenses.
